

Improving Home-School Communication

To enhance communication between families and schools, Elk Island Public Schools (EIPS) has developed a how-to guide entitled, "Communication Protocol for Schools." Topics include appropriate channels to use, standard formats and structures, timing and sequencing for regular and ongoing home-school communication, and ways to bring forward questions or concerns. Additionally, the manual offers useful tools and resources schools and families can use to enhance face-to-face meetings, emails and any social media efforts. The "Communication Protocol for Schools" is available at www.eips.ca/download/40981.
