

2019-2020 Registration

Elk Island Public Schools 2019-20 Registration Drive

All student registrations for the 2019-20 school year—including kindergarten registration, returning student registration and new student registration—will take place online commencing on Feb. 1, 2019.

- **Returning Students:** If your child will be returning to an EIPS school next fall, this is when you will confirm that registration and select your requested school—whether your child will attend your designated school or will request a non-designated school, your family will complete this process.
- **New Students:** Students new to EIPS for the 2019-20 school year will also complete their registration at this time.

All registration forms will be online for families to complete. Additional information, including a list of schools with open and closed boundaries, will be posted on the Division website in the new year.

2019-2020 Kindergarten Registration

Kindergarten registration opens for the 2019-20 school year on Feb. 1, 2019.

Is your child turning five on or before Dec. 31, 2019? If so, it's almost time to register for kindergarten.

To help families prepare, Elk Island Public Schools has put together an online toolkit—available at www.eips.ca/kindergarten—to make the transition as smooth as possible. The kit includes information on registration, important dates, programming options, what to expect, eligibility, how to find your designated school, transportation and more.
