

2017-18 EIPS Parent Survey Results Report

The results are now available for the 2017-18 EIPS Parent Survey conducted in March. Thank you to all families who took the time to share their feedback with the Division. The survey included 20 questions related to the three priorities outlined in the EIPS 2015-18 Three-Year Education Plan:

- Priority 1: Promote growth and success for all students
- Priority 2: Enhance high-quality learning and working environments
- Priority 3: Enhance public education through effective engagement, partnerships and communication

The overall Division results represent 2,918 responses from parents and guardians across EIPS, which is an increase from 2,678 responses the previous year.

The feedback gathered will help EIPS schools and the Division measure its progress toward meeting the priorities and goals outlined in the EIPS 2015-18 Three-Year Education Plan and develop strategies to better serve students and the wider community moving forward.
