

Welcome to the Pine Street School Council & Volunteer Parent Society

At Pine Street Elementary, we believe that caregiver involvement is critical to the success of our students and school. **Pine Street School Council** is a group of caregivers, teachers, and administrators who meet monthly and work together to support our students and enhance education at Pine Street. At our meetings, we talk about issues that directly affect Pine Street and it is an opportunity to provide feedback and input to the school. We believe that each caregiver brings unique perspectives to our school community and encourage everyone to attend, if you have a student at Pine Street, you're already a member! Please join us!
