

## **PNE Parent Survey for our School Education Plan**

A big thank you to all our parents for all your feedback and support over the past year. We are in the process working through our new School Education Plan and would love to have your input. We have built a short survey to make it easier for you to let us know your thoughts. Thank you again for taking the time to fill out and share your thoughts. Click here to start the survey: <https://goo.gl/bQxnVK>. We value your input and working together to ensure students have the absolute best opportunity to be successful here at Pine Street Elementary. Our new goals for this year are:

- ❖ **Goal 1:** Pine Street School will enhance student engagement and achievement by focusing on research based effective teaching practices and their implementation throughout the school.
- ❖ **Goal 2:** Pine Street School will enhance students' critical thinking, problem-solving skills, and creativity.
- ❖ **Goal 3:** Pine Street School will maintain our positive school culture that acknowledges the academic, emotional, and social needs of students.

Thank you
