

Pine Street Elementary is a School of Dignity and Respect

Thank you for helping us make Pine Street Elementary a learning community of **dignity** and **respect**. I just wanted to drop a thank you to all of the parents for modeling what it means to show dignity and respect to our students. It is those little actions that we sometimes take for granted that can truly make the difference in people's lives. Daily modeling through our words, like saying "please" and "thank you" or through actions, such as obeying the street signs or not blocking someone's driveway when you are picking up or dropping off your children. These help us reinforce the ideal that we *are* a school of dignity and respect. So thank you from all of us here at the school. We appreciate the amazing parent group that we have, and your continued support in helping us and your children build a school and community of dignity and respect for all.

then is not an act but a habit"
