

Pine Street Elementary  
Personal Mobile Device Plan  
2024-25

### **Background**

The ownership and use of a personal mobile device (PMD) has grown exponentially over the past decade. While personal devices offer potential opportunities for communication, information access and enhanced opportunities for instruction, personal mobile devices can also be a source of distraction that can negatively impact children's and student's mental health, engagement and learning. Regulated use of personal mobile devices in schools and throughout the Division is required to ensure the promotion of welcoming, caring, respectful and safe learning and working environments. Appropriate use of personal mobile devices contributes to the safety and security of students and staff, minimizes risk to personal wellbeing and disruption to instruction, and protects personal privacy and academic integrity.

Personal mobile device (PMD) is defined as any personal electronic device that can be used to communicate with or access the internet, such as a cellphone, tablet, laptop or smartwatch.

### **Use of PMDs**

Elementary aged students **shall not** access a PMD at school unless documentation is provided to the principal or designate that confirms the use is for a diagnosed health or medical condition, or an identified special learning need. Students will not have access to their PMD during any break periods – for example, recess, class breaks and lunch breaks.

### **Storage of PMDs**

At Pine Street Elementary all devices brought to school are to be stored In the Students Backpack/Locker and either powered off or in silent mode.

We recommend students leave PMDs at home. Students who choose to bring PMDs to school do so at their own risk. The security and storage of these devices is the sole responsibility of the owner or user, and Pine Street Elementary and Elk Island Public Schools assumes no responsibility for the safety, security, loss, repair or replacement of the PMD.

### **Progressive Discipline**

At Pine Street Elementary students will be held accountable for their behaviour and conduct as outlined in [AP 350: Student Code of Conduct](#). If a student uses their personal mobile device when not permitted to do so, schools will follow disciplinary practices and parents/guardians will be notified as outlined on the following page.

	Disciplinary practice
First Infraction	<i>The student is asked to put their PMD away in their locker/backpack</i>
Second Infraction	The PMD is taken to the office and the student can retrieve it at the end of the day
Third Infraction	The PMD is taken to the office and parents are called to pick their child's PMD up from the office.

The principal or teacher will consider individual circumstances and may move further down the disciplinary practice as required.

**Parent/Caregiver Communication with Students**

Parents are asked to refrain from contacting their child/student on their PMD during the school day. Parents can contact the school office at 780 467-2246 who can facilitate contact with their child/student during the school day, if needed.
