

Student Drop-off Options at Pine Street Elementary!

There are two possible options for parents to use when dropping off their children to Pine Street Elementary. The first is if you wish to walk your children in to the school is to park across the street from the school and then use the crosswalks to safely cross with your children. The second is to use the Drop off area at the front of the school and let your child walk into the school from there. Please remember that the drop off area directly in front of the school is meant for vehicles to pull up, quickly drop off students and then proceed. Parking is not permitted in the drop off zone from (8:15 – 3:00). Thank you for helping us make sure we have a safe area for your children, our students to safely enter and exit the school.
